Please review the final project. While we do our best to check for grammar, spelling, etc, there is always the possibility that something has been overlooked. To ensure your printed project does not contain any errors, please review the entire project thoroughly and inform us of any changes/corrections BEFORE signing off on this form.

© 2015 Artwork is property of Duluth Sign. Any unauthorized use of drawings will result in a compensation fee for artwork and design time. This image is an artistic representation of what your graphics will look like. Duluth Sign reserves the right to slightly modify certain measurements and/or areas to accommodate production and installation.

Projects will commence upon receipt of an initial 50% payment. All rights to the materials Duluth Sign creates or modifies for a client will transfer completely to that client upon receipt of client approval and the full payment. Until approval and full payment is received, the copyrights to all materials created or modified by us for a client will be owned entirely and without reservation by Duluth Sign. Duluth Sign retains the unlimited, non-exclusive-right to use copies of your project, at our discretion (for promotional and marketing purposes only-ex. our Portfolio).
